

UK Dementia Awards 2026

Celebrating Effort - Inspiring Change

Welcome

The UK Dementia Awards are our nation's only dedicated celebration of excellence in dementia care.

We're excited to present a refreshed 2026 Awards programme that celebrates learning, sharing, and inspiring across the dementia community. Encompassing 15 awards, we're recognising excellence across care, innovation, research and lived experience celebrating the dedication, creativity, and compassion that drive real change

Our gala lunch award celebration is rooted in connection and community. Far from the glitz and glamour of typical awards nights, this event fosters a heartfelt atmosphere where stories are shared, achievements are genuinely acknowledged, and people, including those with lived experience, come together to appreciate the work that truly matters. It's a space for recognising achievement with authenticity—where the focus is on impact and where everyone leaves feeling re-energised and truly valued for the difference they make in the dementia community.

**Our 2026 event will be held at Coombe Abbey,
Warwickshire on 30th April 2026**

Award particulars

For well over a decade, Dementia Community has proudly celebrated the people, projects, and partnerships that make a real difference in the lives of those living with dementia. The UK Dementia Awards 2026 continue this tradition—recognising excellence, compassion, and innovation across care, community, and creativity.

The awards are judged by a panel of dementia experts, including people with lived experience, ensuring that every nomination is seen, valued, and understood. Whether nominating a colleague, a team, a service, or someone whose quiet dedication deserves the spotlight, this is the chance to say: you matter, and your work matters too.

1

DEMENTIA CARE TEAM AWARD

Recognising teams working in a variety of settings, delivering compassionate, person-centred care.

2

END OF LIFE CARE AWARD

15

PEOPLE'S CHOICE AWARD

Honouring individuals who are making a difference for people living with dementia and whose impact is deeply felt and appreciated.

Judging at the UK Dementia Awards 2026

The UK Dementia Awards celebrate excellence in dementia care, leadership, and research. Each award is judged by a panel of 2–4 individuals, carefully selected to reflect a balance of expertise and lived experience. Panels include colleagues from our Board, Advisory Group, Equality Diversity & Inclusion Groups and the dementia wider community, alongside people directly affected by dementia.

We are looking for judges who bring:

- Understanding of quality in dementia care
- Experience in leadership and innovation
- Knowledge of research and evidence-based practice
- Commitment to valuing lived experience

Sponsors are warmly invited to select an award category to support. By doing so, you will be collaborating with a panel that embodies integrity, inclusivity, and excellence.

Judging Timeline

- February 2026 – Sponsors confirm their chosen award category.
- 1st–14th March 2026 – Judges review written entries (approx. 2–3 hours).
- 15th–26th March 2026 – Judges conduct interviews with shortlisted entrants (date(s) to be agreed; approx. 2 hours).
- By 27th March 2026 – Panels finalise decisions; finalists are invited.
- 30th April 2026 – UK Dementia Awards ceremony: sponsors present their supported award.
